Nomination Letter to Parents

Dear Parents/Carers,

Election of Parent Governors

I am writing to invite you to stand for election as a parent governor, or nominate another parent to do so. In our school we have provision for two parent governor(s) and there is currently one vacancy, We are particularly seeking interest from parents/carers with an interest or experience in finance. Your role would be to develop a strong link between the Governors and the School Business Manager, having general oversight of the school's financial position and providing challenge to ensure that efficiencies were identified and introduced wherever possible.

The Governing Body, with the Head Teacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the Head Teacher to account for the educational performance of the school and its pupils;
and
- Overseeing the financial performance of the school and making sure it's money is well spent.

The role of governor can be demanding but very rewarding. Parent Governors serve a four year term of office and under usual circumstances, can expect to spend between 10 and 20 days a year on governing duties. These include:

- Attending meetings of the governing body, usually outside of school hours and contributing to governing body business;
- Reading reports and papers and keeping up to date on the progress the school is making;
and
- Visiting the school from time to time during the school day, particularly to attend school events.

You will be expected to sign a governors' Code of Conduct, and to have:

- A strong commitment to the role and improving outcomes for children;
- The inquisitiveness to question and analyse;
- The willingness to learn;
- Good inter-personal skills;
- Appropriate levels of literacy in English; and
- Sufficient numeracy skills to understand basic data.

No special qualifications are needed. However, a DBS check is a statutory requirement and must be applied for within 21 days of election/appointment. The most important thing is to have a keen interest in the school and be prepared to play an active part in the governing bodies work. However, as stated above, we would particularly welcome nominations from parents with finance skills. Training is available for all governors and this governing body has an expectation that those new to being a governor attend induction training.

Parents/Carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority are not eligible to stand in these elections. Nominations must be from parents or carers with children at the school on the day that nominations close.

If you would like to stand for election, **please complete the form that is being sent home today in your child's book bag**, and return it to school no later than Friday 30th March at 3:20pm. You may also include a short personal statement to support your nomination, which should be no longer than 250 words. Self-nominations will be accepted, but if you are nominating another parent, please seek their prior consent. If there are more nominations than vacancies the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure and the personal statements of those standing.

We must stress that new statutory guidance advises that the governing body publishes online for each governor certain information including their full name, relevant business interests, whether a governor serves on another governing body and relationships with staff in the school. There is a statutory requirement for all governors to have a DBS check and you would be expected to abide by and sign a code of conduct.

May we take this opportunity to thank you in advance for your support in this matter.

Yours faithfully,

Head Teacher and Chair of Governors
